

Junai Ginjo-shu

ORGANIC CHIKURIN SAKE

With a light and quiet aroma that exudes greenness, the rich and complex flavor is condensed into a thick package. Complexly structured, the sake conveys dank earthiness, but yet, has a pure aftertaste that vanishes in an instant.

It's best served lightly chilled (at about 8-15° C).

Rice polished to 50%
Comes in 720 ml and 300 ml bottles.
